Part B for Sept. 1944

SUBJECT

Allocation of posts of Assistant Comptrollers between the Civil Service & the non Civil Service Cadres.

To

The Comptroller, Nyasa & Gt. Lakes' H.C. Salt
No 813 Dy 30/8/44

Sanctions the raising of the Civil Service Cadre by one temporarily.

Serial No.

Deputation of a junior Asst. Comr. to the Comptroller's office for training

The Comptroller suggests that either Mr. N. Madhava Rao (S.D.O. Sagar) or Mr. Mir Safdar Hussain (D.S.P. Kolar) may be sent.

2. The points for orders are:

(i) Who is to be posted.

(ii) Whether one of the C.S. officers now in the Account Dept. will become available, instead, for the general line — as there will be an excess C.S. officer in the Dept. after Mr K. Subba Rao finishes his training.

(iii) Whether the Rev. Comr. or the I.G.P. need be consulted.

3. Re (i), the idea of the Comptr. & Fin. Secy. seems to be to strengthen the C.S. element in the Account Dept. by one more than the sanctioned strength in view of new posts created (This means the increase of the C.S. with a corresponding reduction of the n.c.s. offr. cadre by one). In this case, a new officer will have to be appointed to act as Asst. Comr. and posted in place of officer selected. If the Comptr. is agreeable to spare one of the older C.S. officers for general line no new appointment of acting Asst. Comr. is req

7) Four Civilian Officers were fixed for the Account Department in Government Order No. Fl.6324-83/G.F.23-25-94 dated 6th May 1926 when the total strength of Assistant Comptrollers for the Account Department was only 12. Subsequent to this, one Accounts Assistant has been sanctioned to the Chief Conservator of Forests and another one to the Director of Agriculture. The Accounts Assistant attached to the Chief Electrical Engineer was not also taken into account when the number of Civilian Officers was fixed at four in the Government Order of May 1926. In view of the above additional officers to the Account Department it will not be possible to spare one of the older Civil Service Officers for the General line just now.

10) The C. S. element of the Asst. Complr. cadre may have to be permanently increased from 4 to 5, in due course. For the present, one additional officer may be temporarily allowed to continue in the Accts. Dept., and acting arrangements made in the general Dept. against him, ~~with the existing case~~. If this suggestion is accepted, no asst. Commr. need be spared by the Complr. for getting a fresh officer for training.

11) The position will be re-examined at the end of this year and the arrangement now suggested may continue any way then.

In Government Order No.1956-2006/C.B.210-23-21 dated 14th February 1925, the posts of Assistant Comptrollers, which then stood at 9, were allocated between the Civil Service and the non-Civil Service cadres as under:-

Non-Civil Service	..	5
Civil Service	..	4+1 under training
		9+1 under training

2. In Government Order No.Fl.6324-83/G.F.23-25-94 dated 6th May 1926 it was directed that 3 more posts* which were subsequently sanctioned be also allocated to the non-Civil Service cadre raising its strength to 8. The Accounts Assistant to the Chief Electrical Engineer was not taken into account in this connection and two more posts of Accounts Assistants (to the Chief Conservator of Forests and the Director of Agriculture) have also been since sanctioned. In spite of all these additions to the gazetted strength of the Department, the proportion of the Civil Service officers has not been changed and still remains at 4 only (excluding the Assistant Commissioner under training).

* 1. Financial Assistant to Inspector-General of Education.
2. Financial Assistant to Chief Electrical Engineer.
3. Accounts Assistant to Chief Commandant.

3. Mr. K. Subba Rao, Assistant Commissioner who had been posted for training in the Account Department, has just completed training, and is due to be absorbed into the regular cadre of the Account Department with effect from the 29th July 1929. Under existing orders, one of the Assistant Commissioners now in the Comptroller's Office will have to be taken back to the general line (to provide for the absorption of Mr.K.Subba Rao) and another junior civilian officer posted to the Comptroller's office for training. The Comptroller however urges that in view of the number of additional posts sanctioned recently, as detailed above, it is necessary to increase the proportion

of the Civil Service element by one. He states that he cannot spare any of the Assistant Commissioners now in the Department for the general line and requests that an extra Civil Service officer may be posted for training. The Financial Secretary agrees with the Comptroller and recommends that for the present the strength of the Civil Service cadre may be temporarily increased by one and the position re-examined at the end of one year. The question is one of mere allocation of posts between the Civil Service and the non-Civil Service cadres and involves no additional cost, as the strength of the non-Civil Service cadre will be correspondingly reduced.

4. The above proposal which has been agreed to by the Members of Council and the Dewan may be graciously approved. Action will be taken to post another officer to the Comptroller's Office for training, for which provision has already been made in the budget of the current year.

2. G.P. No Fl 6324-83/G.F. 23-25-94 dated 6th May 1926 directing that the marginally noted 3 posts of Asst. Comptrollers subsequently created be also allocated to the non-Civil Service Cadre

Order No 813/Cb. 41-29-2.

The 12 posts of Asst. Comptrollers allocated between the C.S. and N-C.S cadres in the Govt. orders read above do not ~~to~~ include the post of Accounts Assistant to the C.E.E. Further, two more posts, ~~Accounts Assistant to the~~ Viz an Accounts Asst. to the Chief Conservator of Forests and ~~to the other quota~~ to the Director of Agriculture have since been Sanctioned.

In spite of ~~all~~ these additions to the gazetted strength of the Account- Dept. the proportion of the Civil Service element- therein ~~is~~ still remains at- 4, exclusive of the post of Asst. 2. Mr. K. Subba Rao Asst. Comr., who was posted to the Comptroller's office for training in July 1927, has just completed the period of training and under existing orders he will have to be absorbed into the regular cadre of the Dept. from 30th July 1929 and one of the trained officers sent back to the general line. The Comptroller represents that in view of the considerable increase in the strength of the Dept. it is desirable to raise the proportion of the Civil Service element by one and that he could not conveniently spare any of the trained officers for reversion to the general line. He requests that Mr. K. Subba Rao may be allowed to be retained as an additional Civil Service Officer against one of the posts now held by non-Civil Service officers in the Dept. and that another Asst. Comr. may be posted to the Dept. for training.

3. Under the circumstances, Govt. are pleased to approve of the proposal of the Comptroller as a temporary measure. The strength of the Civil Service Cadre will be correspondingly increased by one temporarily. The position will be re-examined at the end of one year, ~~and final orders passed about the allocation of the posts of Asst. Comptrollers between the several services~~.
